

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Andrew Phillip Threatt**

Docket No. **287891**

L.C. No. **2003-400086-FC**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.201(B)(3) and 7.216(A)(10), orders:

The motion to waive fees under MCR 7.202(3) and MCR 7.205(B)(7) is GRANTED for this case only.

The motion to proceed in the Michigan Court of Appeals with one copy of all pleadings is DENIED because the court rules require appellant to file five copies of all the requested pleadings except the transcripts. MCR 7.205(B) and MCR 7.205(F)(1).

The delayed application for leave to appeal is DISMISSED for failure to pursue the case in conformity with the court rules. MCR 7.201(B)(3) and MCR 7.216(A)(10). This Court provided notice regarding the nature of the defects with this filing, and appellant failed to correct them in a timely manner by providing this Court with five copies of a delayed application for leave to appeal that conformed to MCR 7.212(C), five copies of a statement of facts explaining the reasons for delay, five copies of a current set of the circuit court's register of actions, five copies of the order appealed, a copy of the transcripts or transcript pages that were used to prepare the appeal, and a proof of service that he set a copy of the conforming pleadings to the prosecutor. Dismissal is without prejudice to whatever other relief may be available consistent with the court rules.
